COMMERCIAL APPLICATION****TECHNICAL DATA**

PARTICULAR	SPECIFICATION
Model No	Fx 47
Opening Time	3- 5 sec
Arm Length	4.5m~6m(standard)
Power Supply In AC	220~240V, 110~120V
Motor Speed	1400r/min
Motor Output Power	160W
Input Voltage	24V
Drive	DC brushless motor
Remote Distance	30 m
Straight arm Length	3-6m
Protection rate	IP54

**Telescopic Arm (4+2 M)****Machine core structure**
